Suddha,

We would like to change the address for Region 3 for Saturday delivery. There will be less confusion on FedEx's side if we use their hub address. At least put for HOLD Saturday at Fed Ex Location.

Hi Stevie,
If I recalled correctly, there are several labs which have different addresses when samples are scheduled for a Saturday delivery. Can you please send me the different addresses to be used when a Saturday delivery is scheduled? Additionally, please let us know if there are specific notification procedures for Sat delivery at any of the labs.
Thanks,

Suddha Graves
